

Sonderborg Climate Neutrality Conference

28.09.2021 - 29.09.2021 • Online Event

This 2-day international event is taking place online and will give an overview of the current state of the art measures to achieve climate neutrality, closely linked to the results of the SmartEnCity project. The 2nd day will conclude with a virtual tour of the SmartEnCity demo sites Vitoria-Gasteiz, Tartu and Sonderborg and follower cities Asenovgrad and Lecce.

<http://smartencitynetwork.eu/Images/Uploads/Screen%20Shot%202021-05-25%20at%2016.36.58.png>

The virtual format opens up for new, exciting opportunities to connect worldwide. This year's climate neutrality conference in Sonderborg discusses within the Triple Helix of academia, industry and society newest developments in technological solutions for solving climate issues, giving special focus to cities as frontrunners for a more sustainable planet and future.

Find all information on the Conference [here. \(https://event.sdu.dk/climateconference/conference\)](https://event.sdu.dk/climateconference/conference)

The conference consists of joint plenary sessions and two parallel tracks with focus on either technological solutions (track A) or societal aspects (track B), especially related to city engagement in climate change mitigation. Each track features three sessions with several inspiring presentations by invited speakers. Overall, there will be talks on a great variety of topics starting from new materials and photovoltaics via energy solutions and city involvement to climate engineering and business aspects.

Find detailed agenda [here. \(https://event.sdu.dk/climateconference/agenda\)](https://event.sdu.dk/climateconference/agenda)

The conference language is English.

Registration is open and participation is FREE of charge. [Register here. \(https://event.sdu.dk/climateconference/signup\)](https://event.sdu.dk/climateconference/signup)
